Hey! Mr. Tangerine Man, stay away from me,
D G A |D | |
You're a traitor to the nation 'cause you act like a king

Verse: G A D G
Persecuting innocents., distracting from your crimes
D G
When you should be doing time,
D G D G A Asus4 A
then viciously you slime the officials who respect the constitution
G A D G
And when you get court orders, well you blow them off, defy,
D G
And smear the judge with lies
D G A Asus4 A
You deflect, deny and aim to cause confusion

Chorus: Hey! Mr. Tangerine Man, stay away from me,

Verse: G A D G
You love that ethnic cleansing and support a genocide

Yes, you're even taking pride,
D G A Asus4 A
In your plans to build resorts upon the ruins

A textbook case of psychopathy, you lack empathy
D G D G
And you cannot even see how offensive you can be
D G A Asus4 A
'Cause to you there's only pawns, there are no humans

Chorus: Hey! Mr. Tangerine Man, stay away from me,

Verse: G A D G
 You think the rules we follow don't apply to you
 D G
 Nothing matters but your view
 D G
 we should accept your lies as true
 D G A Asus4 A
 And the world is only here to serve your cravings
 G A D G
 And women are not people in your eyes, they're only dolls
 D G
 Who should have no rights at all
 D G A Asus4 A
 Who are they to claim assault? they're only playthings

Chorus: G A D G
 Hey! Mr. Tangerine Man, stay away from me,
 D G A Asus4 A
 You are creepy and you are no good for anything.
